CGPA : 8.84

ACADEMIC DETAILS

COURSE	INSTITUTE/COLLEGE	BOARD/UNIVERSITY	SCORE	YEAR
CLASS XII	DAV Public School Alampur, Himachal Pradesh	CBSE	89.6 %	2021
CLASS X	Aim Academy Senior Secondary School, Jaisinghpur, (H.P.)	Himachal Pradesh Board of School Education (HPBOSE)	97.86 %	2019

Subjects / Electives	Middleware Frameworks and ORMs, Introduction to AIML, Mobile App Development, Web Frameworks, Devops
Technical Proficiency	Express.js, Python, MongoDB, Tensorflow, React.js, WordPress, Git, JavaScript, NextJS, PyTorch, Scikit-Learn, Node.js, PHP, Java, Machine Learning, CSS3, HTML5, Tailwind CSS, MySQL, Github

WORK EXPERIENCE

INTERNSHIPS

Founding Tech & Marketing Lead, Beas Green Solutions	Apr 2025 - Jul 2025
- Designed and developed the site for BGS, featuring Google Maps API integration, WhatsApp chat support, and a dynamic product catalog, delivering a seamless and interactive user experience. - Built and deployed PixPro, a custom AI-powered web platform for advanced image editing and product visualization, offering users intuitive tools for enhancing and transforming images online. - Utilized Google Analytics to drive data-informed decisions for targeted Facebook marketing campaigns and optimized customer engagement through WhatsApp Business integration within the web application.	
Web Developer, Awra.in	Jun 2024 - Jul 2024
- Developed and deployed AWRA's official website using WordPress & custom plugins, enhancing user experience and functionality. - Integrated secure payment gateway and optimized the site for SEO, enhancing brand visibility and driving user engagement. - Integrated Google Analytics and Google Search Console to track user behavior, monitor SEO performance, and inform data-driven decisions. - Ensured accessibility and responsiveness across devices using custom CSS, breakpoints, and performance optimizations.	

PROJECTS

Nexus AI Agent Platform - Agentic AI	Apr 2025 - Aug 2025
Tech Stack: AI/ML: Portia SDK v0.7.2, Google Gemini 1.5 Flash, Mistral AI Backend: FastAPI, Python 3.12, Uvicorn Frontend: Next.js 14, React, TypeScript, Tailwind CSS Integrations: Google Workspace (Gmail, Drive, Calendar), OAuth 2.0 Tools Portia Cloud Registry (61+ tools), Open Source Registry (10+ tools) Github : https://github.com/ADML003/Nexus_AgentHack Developed a comprehensive AI agent platform that orchestrates multiple LLM providers and tool integrations, featuring an intelligent clarification system for seamless human-AI interaction. The system handles complex multi-step tasks across Google Workspace tools while maintaining robust error handling and provider fallback mechanisms. Key Features: Advanced Generative AI Agent Orchestration: Architected a multi-provider AI agent using Portia AI and LangChain, featuring a dynamic reasoning engine that automatically falls back from Google Gemini to Mistral to ensure continuous, high-quality performance. Agentic Tool Integration for Complex Tasks: Empowered the Gen AI agent by integrating a hybrid registry of 61+ tools (Portia cloud & open-source), enabling it to autonomously execute complex workflows across Google Workspace APIs like Gmail, Drive, and Calendar. Interactive AI-User Authentication Flow: Designed a novel, real-time clarification system where the AI agent dynamically prompts users to grant consent for OAuth flows and tool permissions, ensuring secure, transparent, and user-guided operations. Robust, Real-Time Agent Monitoring: Engineered a production-ready system for asynchronous task execution, providing comprehensive logging and live status updates on the AI agents decision-making process and tool performance.	
PixPro - Web2 + AI (image processing)	Apr 2025 - May 2025

Tech Stack:

Next.js | React | Cloudinary | Tailwind CSS | shadcn | Clerk | Stripe | Vercel

Project Link: <https://pix-pro-orpin.vercel.app/>

Github:https://github.com/ADML003/pix_pro

Pix Pro is a full-stack AI-powered image editing platform offering advanced yet user-friendly tools for image enhancement and transformation. Integrated with Stripe for credit-based usage, it is built with the potential to scale into a fully-fledged SaaS product.

Key Features:

- AI-based image editing and enhancement tools.
- User authentication and management via Clerk.
- Seamless payments and credits handling through Stripe.
- Built with Next.js (App Router) for SSR and optimized routing.
- Styled using Tailwind CSS and shadcn/ui for a clean, modern UI.
- Deployed on Vercel for fast performance and scalability.

Analytics Dashboard - Marketing Analytics Platform

May 2025 - Jun 2025

Tech Stack:

React. | Next.js | Tailwind CSS | Typescript | Recharts

Project Link: <https://analytics-dashboard-psi-five.vercel.app/>

Github: https://github.com/ADML003/analytics_dashboard

An interactive and visually dynamic analytics dashboard built with Next.js and hosted on Vercel, offering multi-type graph visualizations, advanced filtering, export functionality, and customizable UI themes. Designed for real-time data tracking and insightful analysis.

Key Features:

- Integrated multiple chart types including bar, line, area, and pie charts to visualize diverse datasets and enhance analytical interpretation.
- Implemented advanced filtering and sorting features, allowing users to drill down into specific metrics and time ranges for deeper insights.
- Developed report export functionality, enabling users to download visual data summaries for offline access and sharing (PDF and CSV options).
- Designed dynamic theme support for customizable user experiences, and structured the app for an expandable view for analysing charts easily.

EXTRA CURRICULAR ACTIVITIES

Personality Development

Actively engaged in personal development through self-help literature, continuously working to strengthen mindset, communication, and self-discipline.

Badminton

I have played badminton at District Level.

Cricket

Represented the U-19 Zonal Cricket Team under the Himachal Pradesh Cricket Association (HPCA), demonstrating strong teamwork, discipline, and competitive spirit at a regional level.

AWARDS AND RECOGNITIONS

Merit Certificate | HPBOSE

Apr 2019

Recognized by the Himachal Pradesh Board of School Education (HPBOSE) for securing 7th rank in the state in the Matriculation Examination (201819 session).

CERTIFICATIONS

CERTIFICATION	CERTIFYING AUTHORITY
CS50	Harvard University
The Complete 2022 Web Development Bootcamp	Udemy

COMPETITIONS

CONFERENCES AND WORKSHOPS

FDP cum Workshop on 'Blockchain Technology'

Organized by: Department of Computer Science | Date: Dec 2022

- Gained practical knowledge of blockchain architecture, including distributed ledger technology, cryptographic hashing, and consensus algorithms like Proof of Work and Proof of Stake.
- Explored smart contract development using Ethereum and Solidity, with hands-on experience in writing and deploying basic decentralized applications (dApps).

SCHOLARSHIPS

Swami Vivekananda Utkrisht Chhatravriti Yojana

Sep 2019

Awarded a merit scholarship by the **Himachal Pradesh Board of School Education (HPBOSE)** for securing **7th rank** in the state in the Matriculation Examination for the 2018–19 session.

VOLUNTEER EXPERIENCE

Aravindam India Foundation - Role: Volunteer | Cause: Social Services

Sep 2024 - Oct 2024

- Volunteered at Aravindam India Gurukul, the nonprofit social venture of Aravindam India Foundation, contributing to initiatives focused on education, culture, and skill development for underprivileged children.
- Assisted in organizing stationary distribution sessions and promoting holistic development, community engagement, and value-based education.
